SUBJECT: SAE Special Event

Section Members,

The Sections Board is sponsoring a special program in our region, so here are some details that may interest you:

On June 14th and 15th, the SAE Sections Board is hosting a special Father's Day weekend event - a chance to get behind the scenes with J&B Motorsports! A tour group will attend the NHRA drag racing event held at the National Trail Raceway, near Columbus, Ohio. The tour will go backstage and have the opportunity to watch qualifying sessions (top fuel and funny car), have a Q&A session in the pits, watch car preparations, chat with driver Todd Veney and sit down to a special dinner in the pits! In addition, one lucky person will have a chance to act as an honorary member of the pit crew each day!

In addition to this opportunity to get behind the scenes, each registration includes tickets to the racing events, a special t-shirt and keychain, and dinner. Friday's qualifying session will cost \$95 for members (\$99 for non-members), while Saturday's full racing session is \$110 for members (\$115 for non-members.)

For more information and to register for this event, find our link on the SAE Motorsports website (<http://www.motorsportsengineering.com>), go directly to the event announcement at <http://www.motorsportsengineering.sae.org/motorsports/events/dragrace.htm>, or contact Janiece Lang at 724-772-7137 or janiec@sae.org.
