This sequel to Ray Cooney's "Run for Your Wife" finds bigamist taxi driver John Smith still keeping his two families in different parts of London both happy and blissfully unaware of each other. However, his teenage children, a girl from one family and a boy from the other, have met on the Internet and are anxious to meet in person, since they seem to have so much in common – name, surname and taxi-driving dad! The situation spirals out of control as John struggles with the truth.
