The Fort Wayne Section of SAE provided judges for special awards at the recent Science Fair at IPFW. Congratulations go to Elementary Division winners David Bell (Queen of Angels) and Zach Miller (St. John, New Haven), \$40 each. For the Junior Division, the winners were sisters Andrea and Jessica Simon (Canterbury), sharing \$65 for their project "How do Velocity and Spin Affect the Flight of a Tennis Ball." In the Senior Division, the special award of \$100 went to Jacob Liechty (Leo) for his project "Remote Musical Actuation Web Service." He built a device to play a guitar using solenoids and software that he wrote. Thanks to judges Marty Blessing, Stan Harmeyer, Brian Millard and Deb Cooper.
