### About the Program and Speaker:

**Transportation Research Center Inc. (TRC Inc.)** is a leading independent provider of testing, development and research that serves a wide range of customers and products from around the globe. TRC Inc.'s primary business functions include: Durability, Dynamics, Emissions, Crash and Sled Testing, and Contract Services.

**Ken Webster** was Manager, Project Operations for Durability & Dynamics Testing at Transportation Research Center Inc. (TRC Inc.) through October 2006. As of October 2006, he has transitioned to the position of Manager, Project Operations for Impact Laboratory Testing. Mr. Webster's experience includes 17 years at TRC as Engineering Supervisor and Project Engineer, managing staff responsible for client test performance in accordance with government certification standards, industry procedures, and manufacturer specifications. Mr. Webster has a Bachelors Degree in Mechanical Engineering and is a 15-year member of the Society of Automotive Engineers (SAE). He participates on the SAE Brake Committee, and is an SAE Organizer for Session AE7.
