

SEPTEMBER MEETING ANNOUNCEMENT

Discovery Park

The Energy Center

The Energy Center
Creating Energy's Future Technologies

Featured Speaker:

Dr. Jay P. Gore

Interim Director of the Energy Center at Purdue's Discovery Park

Purdue's Energy Center at Discovery Park is a multidisciplinary academic community of over 75 researchers, scientists, engineers, political scientists, and economists. The goal of the Energy Center is to make significant contributions to the energy solutions needed by our State, the Nation, and the World.

Dr. Gore was named the interim director of the Energy Center at Purdue's Discovery Park in August 2005. He is also the director of the Institute for Interdisciplinary Engineering whose purpose it is to utilize the intellectual and physical resources within Purdue's College of Engineering to facilitate solutions to important interdisciplinary problems in society. Dr. Gore has a BE from the University of Poona and a MS and PhD from Penn State.

Find out more about the Energy Center: <http://discoverypark.purdue.edu/wps/portal/Energy>
